

MILMEGA

The difference between ordinary
and extraordinary

-  Best in class for **Guaranteed** power
-  Removable sub sections enhance product utilisation
-  5 Year fully expensed warranty
-  Exceptional compactness
(half the size of the competition)
-  Upgradeable, modular architecture

The new 80 to 1000MHz amplifier range from MILMEGA is everything you would expect from a Company that delivers exceptional products and service and sets standards competitors aspire to.

We promise only what we can deliver...
then deliver more than we promise

Designers and Manufacturers of High
Power Microwave and RF Amplifiers
